

VRS Student Career Services are available to students age 14 up until age 22 who have an IEP, 504 plan or a medical or mental health condition that might create a barrier to employment

Students can...

- Get work experience
- Explore job training and college options
- Learn about career possibilities
- Gain skills to be successful in finding and keeping jobs!

To learn more or find the staff that serve your school:

The pre-employment transition services provided under the VR program are funded by a grant from the U.S. Department of Education with a state match. For federal fiscal year 2021, the total amount of federal grant funds used for these services is \$6,495,287 (15 percent of total federal appropriation). The state appropriation indirectly supports the pre-employment transition spending and amounts to \$1,757,937.
