Introductory Career Services

Which VRS Staff Coordinates These Services?

Your school's Pre-ETS Representative is:

Vocational Rehabilitation (VR) Services

Which VRS Staff Coordinates These Services?

Your school's VR Counselor is:

Which Students Should be Referred?

- Students with IEPs, 504 plans, or other medical/mental health documentation
- * Students age 14 up until age 22 can apply to either program at any time
- > Typical starting point for students in 9th, 10th, or 11th grade
- > Serves as a "first step" for students who may only need Introductory Career Services

What are the Services?

May include any of the 5 Pre-Employment Transition Services (Pre-ETS) as needed:

- ➤ Job Exploration
- ➤ Work Experiences
- ➤ Training and College Exploration
- ➤ Work-Readiness **Training**
- > Self-Advocacy Training

How Long Can a Student Receive Services?

Services available ONLY while enrolled in school.

12th grade or 18-22 transition programming ➤ May serve as a "next step" for students

➤ Typical starting point for students in 11th and

requiring supports beyond Introductory Career Services

What are the Services?

May include any of the 5 Pre-Employment Transition Services (Pre-ETS) plus extra services and supports as needed (i.e. coaching to support a work experience).

Plus supports after high school graduation to help with:

- ➤ Postsecondary education or training
- > Finding a job
- ➤ Keeping a job

How Long Can a Student Receive Services?

As long as needed. Also, people at any age can apply or re-apply for services.

Provided in Partnership with Schools!

Contact the VRS Pre-ETS Representative or VR Counselor who are happy to consult about how to partner and which path is best for each student. DEED 70392-02 (11/2023)
