

2. A) Communities have informed that building resiliency/diversity and tax base is critical. Not all communities have the same needs. We are trying to determine needs that exist for our impacted communities as economic diversification and tax base issues are being addressed. The following are areas that have been compiled from many of you. This will help the Task Forces and the ETAC planning efforts.

■ No Needs   
 ■ Few Needs   
 ■ Moderate needs   
 ■ Many Needs   
 ■ Considerable Needs
