Re: Updates to LWDA #2 Local Unified Plan

Dear Dr. Hanson Willis,

In response to the guidance memo dated February 28, 2018, please consider this letter as the update to the Local Unified Plan for Local Workforce Development Area #2.

The LWDA #2 Workforce Development Board has conducted a review of the local plan first submitted to DEED in May of 2016, and updated on April 18, 2018.

Attached to this letter you will find the updates to our local plan. This document was posted for public review and comment on the RMCEP website (www.rmcep.com). We did not receive any public comments during the 30 day comment period.

Workforce Development Board would be happy to engage in further discussions with DEED leadership regarding the next steps in the approval of the local plan at the state level.

Thank you for your continued partnership in providing important, relevant, and timely services and guidance to employers and job seekers in Northwest Minnesota.

Sincerely,

Daniel J. Wenner
Executive Director, RMCEP, Inc.
